McClugage Bridge Lane Closures

PEORIA – The Illinois Department of Transportation announces that intermittent lane closures are scheduled for westbound US 150 at the McClugage Bridge over the Illinois River from Monday, July 11 to Friday, July 15.

The lane closures will be in effect, starting at 8:30 a.m. each day and are necessary for bridge maintenance work to be completed. Multiple lanes may be closed at a time as this work is completed; travel delays are possible in the area during those times.

Please slow down and use extreme caution while driving through all work zones.
